Sebino I.G.T. Pinot Bianco *Organic Wine*

With an aroma of plum and white flowers, this wine has a good acidity that provides freshness on the palate, along with mineral notes, and a warm and inviting alcoholic character. After much "gray", the goal is to impress with a white, radiant springtime wine, which is inviting like the gentle curves of the hills of Franciacorta. The label, just like the wine, it is a blend of history and innovation that we invite you to discover.

Available in: 0.75 l. (bottle)

GRAPES: 100% Pinot Blanc

VINEYARDS: in the morainic amphitheatre of Lake Iseo in the municipalities of Capriolo.

TERROIR: fluvial, glacial formed during the last glaciations (Wurmian), weakly undulated with a structure comprised of gravel, stones, sand, and lime, moderately deep with good drainage and, locally, has a very high quantity of stones.

PRODUCTION: an average of 10 tons per hectare (4 tons per acre) with a maximum yield of 68% in wine.

PRODUCTION CYCLE: fully vinified and aged in steel vats, then bottled in the spring following harvest.

COLOR: pale straw yellow.

NOSE: aroma of plum and wild white flowers (hawthorn).

PALATE: good acidity that provides freshness on the palate and mineral notes; warm and inviting alcoholic character.

ALCOHOL CONTENT: 11.5% vol.

SERVING METHOD: serve at 10°C. (50° F) in large glasses.

GASTRONOMY: suitable for light appetizers, delicate first courses, fish, and white meats.
