This beautiful Capriolo estate has grown steadily over the years to become a leading light in the production zone. All credit to Riccardo Ricci Curbastro, who has dedicated his talent and energy to modernizing the cellar and expanding the vineyards, making the estate a valid contender in new markets. Riccardo has also poured energy into his work in various associations, serving as chairman of FederDoc since 1998 and of EFOR, the European Federation of Origin Wines, since 2009.
