

RICCI CURBASTRO AGRITOURISM

The eight apartments are located within a recently restored farmhouse in front of the Ricci Curbastro Farm Estate Winery, near a vineyard, and near the town of Capriolo.

This is an ideal location for taking trips to Lake Iseo (5 km), playing golf (Golf Franciacorta at 6 km), and for other sports activities, such as horseback riding and mountain biking, or for a food and wine tasting holiday in search of the numerous restaurants located in the area. Furthermore, all of Franciacorta is rich in history and nature (Nature Park of the Peat Bogs of Lake Iseo, Abbey of Rodengo Saiano, Monastery of St. Peter in Lamosa), and it is also an ideal base for trips to nearby cities, such as Bergamo (24 km), Brescia (25 km), Cremona (60 km), and Milan (75 km) or easily reaching cities in the Veneto region by train or car.

The Camonica Valley, with its ski resorts and the rock carvings of Capo di Ponte, is a completion to your holiday in Franciacorta.

All of our apartments have a fully equipped kitchen with dishes and pots, as well as a refrigerator. Portable air conditioner available.

They are rented complete with bed linens and towels. The price includes water, electricity, heating, and final house cleaning service.

The overnight rate also includes the visit to the Ricci Curbastro Museum of Agriculture and Wine, the tour of the wine cellar with wine tasting.
